Use the words you wrote down on the first page to fill in the story.

I love spending time in the (1.\_\_\_\_\_)!  
 (2.\_\_\_\_\_) took me to the  
 (3.\_\_\_\_\_) last week. We fished  
 from the pier and actually caught a  
 (4.\_\_\_\_\_) (5.\_\_\_\_\_) instead of  
 a Walleye! I setup my big, beach umbrella  
 with pictures of (6.\_\_\_\_\_) and  
 (7.\_\_\_\_\_) on it and made sure to  
 pack (8.\_\_\_\_\_) because its something  
 I always say I should eat more of! I put  
 a (9.\_\_\_\_\_) on my hook and made a  
 huge cast like (10.\_\_\_\_\_)! When reeling  
 my line in, I looked over and got distracted  
 by the (11.\_\_\_\_\_) (12.\_\_\_\_\_)  
 in the distance. The last time I saw that  
 I was (13.\_\_\_\_\_) in  
 (14.\_\_\_\_\_. Suddenly, I pulled up  
 a (15.\_\_\_\_\_) (16.\_\_\_\_\_. What a  
 great way to finish a fishing trip!

### Bobber fun

1. Which bobber is the largest?
2. Which bobber is the smallest?
3. Which bobber is best for walleye fishing? Why?

Answers

1. D
2. B
3. E Slip Bobbers like this are not fixed to the line and allow you to easily adjust how deep or how shallow you fish.

### A reel-ly fishy joke

What did the fish say before biting the lure?

"Walleye" suppose I'll be nice and give the angler some action, I "Bass"ically don't want them to have a "Crappie" day.
